Everyone is happy with the BIG PLAN themes.  
We will be talking about the themes at every meeting in 2025 and Trish will let us know which one on each date.

Julie reminded everyone about the consultation for Travel and Daytime activities. This finishes in December.

We talked more about other people joining our Partnership Board Meetings. If more people come, then we can make more decisions.

### Feedback from others - Conrad

Conrad shared leaflets and told us

- Beverley Festival of Christmas, Sunday 8 December, 10-4.
- Goldilocks and the Three Bears, Hull New Theatre, 11-31 December.
- RED Disco, 13 December.

### Conrad's last meeting with the Mayor (John)

Conrad has met with the Mayor and told him about the Beverley bus station

- its dirty, rubbish and gum everywhere
- pavements are uneven - someone might fall
- it needs new seats
- Bus numbers and times changed without telling people
- Bus fares have gone up
- Smokers are smoking next to people who don't smoke

The Partnership Board can write a letter to Transport to ask them if they asked people about changing bus numbers and the times...

**Trish**

Add themes to 2025 calendar

**Julie**

Where can we see the results?

**Everyone**

Tell people about us.

**Everyone**

John is listening - thank you Conrad

**Everyone**

We can talk about these in the BIG PLAN

**Partnership**

To write a letter and to talk to Carrie (Healthwatch)

## The HUB - Rani

In February next year the first HUB will open that Holly Cade had told us about. It will be in the Pastures Day Centre in Goole. This is the first one, called the PILOT.

There will be stands and a chance to meet with other friends and families and learn about what's going on e.g. Partnership Boards, Fit Mums Walks, Being healthy...

In the future there will be 7 Hubs - one in each Primary Care Network (groups of GP Practices that are working together).

These are the HUBS (Networks)...

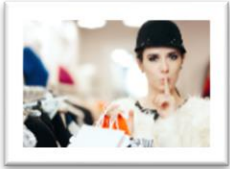

- **Cygnets (Goole)** - Bartholomew Medical Group, Gilberdyke Health Centre, Montague Medical Practice & Snaith and Rawcliffe Medical Group
- **Beverley** - Greengates Medical Group, Manor Road Surgery, North Beverley Medical Centre, The Old Fire Station Surgery

### **Communication through Music - Dave**

Dave brought lots of different instruments and then worked with us to create our own Christmas Style Beat.

We never knew we had such talent in our group - Conrad on Harmonica, Paul on Bells, Trish trying hard to keep in tune on her Glock!

It was great fun and taught us a new way to communicate, work together and have fun!

**Question for everyone?**  
Should we  
share how  
good this is?

### **Best Christmas Jumper Prizes**

### **Partnership Board Feedback**

- Doing better - hearing and acting on things
- Setting short-term goals **OR** Baby steps
- Telling other services what we know
- We are a good team (forum)
- We have lived experience
- We need to advertise
- Our voice is important
- I'm not sure of my role in the board?
- More people are coming, but we want to hear more voices

**Rachel**

To update us

- Can we look to work / help foodbanks? - people are struggling
- Speak Up groups want to hear more voices - more people to join
- Experts in Day Services told Trish and Peter that they don't know about partnership board, speak up...
- Every manager of a home should join the Partnership Board as a mandatory rule - they are advocates, so it's very important
- Every staff that attends should bring an expert with them

- I hope we have better weather so as a family we can visit the countryside and go on long walks
- I'm excited, family are visiting
- I'm a huge Christmas fan
- I'm a huge fan and love Christmas Tatt! Tinsel everywhere, decorations, music, dancing - it's not religion for me...
