--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

	<p>Laura Hutchinson, Healthy Lifestyles Development Officer</p> <p>Julie Short, Principal Learning and Skills Officer (Adult Social Care)</p> <p>Danni Wolverson, Engagement Lead for Adult Learning Disabilities, Humber NHS</p> <p>Ankur Mehrotra, Parent and Parent and Carer Forum Representative</p>	
   	<p>Minutes & correspondence (what we shared)</p> <p>At Every Meeting we will have a library corner, take any of the information you would like</p> <ul style="list-style-type: none"> • Minutes, from last meeting • David Ford Trust information • Profiles • ReSPECT East Read Information • Carers Newsletter • BIG PLAN Feedback (Strategy) • Agenda for this meeting • Action Tracker <p>Rules re-cap</p> <ul style="list-style-type: none"> • We have Red and Green Cards for stopping, asking questions or saying we don't understand • It is OK to say I don't understand • Respect each other • Confidential - we must say if we don't want it sharing to others not at the meeting • To avoid using (acronyms) shortened words or initials, instead use the full names of things e.g. PfA = preparing for adulthood • A safe space for us to meet and share information <p>Action Tracker</p> <p>Peter shared the outstanding actions.</p> <ul style="list-style-type: none"> • Oliver McGowan Training - we will share updates in the Speak up feedback • LeDeR presentation is on today's agenda - Rani 	<p>Everyone</p> <p>Ask Trish if you need a copy of anything else</p>

	<ul style="list-style-type: none"> • Open Letter to Alan Menzies - update in speak up feedback • Hospital Passports are on our next agenda - Jackie was unable to present today • Our Place - is on today's agenda with Claire and Adele • Social Club - Mathews Hub are only providing clubs as part of their Hub, no one is 'taking over' what was the Thursday Millers Club or the Gateway clubs 	<p>Trish Next agenda - Patient Passports</p> <p>Liane Social Club</p>
  	<p>Speak up - Feedback</p> <p>Oliver McGowan Training - Tier 2</p> <p>Conrad and Anna have done 3 days training last week at Mathew's Hub for their role as Expert Trainers. They are almost finished but need to learn some scripts for the training.</p> <p>After this they will be able to choose wherever they want to train staff, it could be Hospital staff, Council staff... anywhere they are prepared to travel to. They will be paid for their work</p> <p>Bus Number, Route Changes</p> <p>The group have sent a letter to East Yorkshire Transport and Stagecoach asking them to speak to groups like the Speak up group before they make any changes. This will help the groups understand and talk about the changes before they happen.</p> <p>At Mathews Hub they also talked about the changes and the problems they cause.</p> <p>Bus Passes were also talked about and lots of people are confused. Better advertising will help.</p>	<p>ANYONE</p> <p>Mathew's Hub are still offering training for experts</p> <p>Trish Invite Transport Rep to talk about passes / share info</p>
 <p>East Riding of Yorkshire Council https://www.eastriding.gov.uk</p>	<p>East Riding Council's Finances</p> <p>Peter explained that the council have been working on lowering their debts - saving money and what that means.</p> <p>Rachel explained about the challenges on Residential homes and their residents because after their bills are</p>	

	<p>paid they only have £27 left each week - that's not a lot when you want to go out and a drink costs £5, of on holiday... no one knows in April (the new financial or money year) what budget anyone will have or even what bills will cost in the home they live in.</p>	
 <p>Department for Work & Pensions</p> 	<p>DWP – Department for Work and Pensions, Welfare Reforms and Benefits</p> <p>We talked about how the changes in benefits will affect people with a learning disability.</p> <p>The letters that are sent out are difficult to understand - they are not 'easy-read' like our minutes.</p> <p>Peter shared a website called - learning disability today https://www.learningdisabilitytoday.co.uk/category/news/ it has news, information, resources...</p>	<p>Everyone</p> <p>Website link - Learning disability today</p>
	<p>Letter to Alan Menzies – Speak Up</p> <p>The speak up group are going to write to Alan and ask him questions about the Council.</p>	<p>Angel / Speak up group</p>
	<p>The BIG PLAN Headings</p> <p>The speak up group spoke about the headings they want in the BIG PLAN and what they want to discuss / share. These are;</p> <ul style="list-style-type: none"> • Having a voice • Being safe - sharing about where they live and their homes and what it means to them • Community - what it means to them • Things they do during the day - what they like doing • Being Healthy - they talked about their wellbeing, and their mental and physical health <p>These discussions helped focus on what the Voices on Tour will talk about when they visit Day Services, Care Homes, different communities... when they do visit, it will help them start conversations and they can then see how things go, what people want to tell them...</p>	

	<p>Safe Places</p> <p>Anna and Rachel talked about how Howden is a 'safe place'. They have stickers in their windows that local people know means that if they are anxious, they can go in for help.</p> <p>Shops and Businesses have signed up and trained their staff.</p> <p>This is a good example we can put into the BIG PLAN.</p>	<p>Julie Arnold</p> <p>Add to the BIG PLAN</p>
	<p>LeDeR - The Learning Disability Mortality Review, Rani</p> <p>This is all over the country, looking at the deaths of people with a learning disability.</p> <p>A group of professionals meet in each area and read files of people that have died, one of them might meet family to talk, read paperwork and files and then tell the group what they know.</p> <p>They might talk to the persons GP and look at if they could have done something better to help...</p> <p>There are 5 main causes of death-</p> <ul style="list-style-type: none"> • Diseases of the nervous system = Alzheimer's, Dementia, Cerebral Palsy, Epilepsy, Multiple Sclerosis, Parkinson's... • Diseases of the circulatory system = Heart, Blood Pressure, High Cholesterol... • Congenital or Chromosome anomaly = Down's Syndrome, Fragile X Syndrome... • Respiratory diseases = Pneumonia is a type of chest infection, from a virus or 'bug' or from aspiration, where someone has breathed food into their lungs • Cancers = Breast cancer, Lung... 	

	<p>LeDeR is looking at how we can prevent these deaths, so keeping healthy, is good for our hearts and lung. When we don't feel well, seeing our GP, making sure we have our annual health screen...</p> <p>Most people that have died have a mild or moderate learning disability, so it might be that they didn't have staff supporting them, or didn't go to see their GP early enough for treatment.</p> <p>Rani told us that we can ask for a Pneumonia vaccine if we have a learning disability, our GP might not tell us or ask us to come in for it.</p> <p>LeDeR will find out which GPs have not been doing annual health screens - this is very important and lots of work has been done to help with this.</p> <p>It was raised about Residential and Care Homes informing LeDeR when someone dies. They haven't been told how to do this.</p> <p>This is the link to report the death of someone with a learning disability or an autistic person - https://leder.nhs.uk/report</p>	<p>Everyone Ask for your vaccines</p> <p>Rani Telling LeDeR</p>
	<p>Learning Disability and Neurodiversity Hubs - Rani</p> <p>Well-being Hubs are going to provide accessible services and support for people with a learning disability, their families and carers.</p> <p>The first Hub event was in Goole at the Pastures and Conrad, Paul and Anna all visited, talked to stall holders, and thought it was good.</p> <p>Plans for the next area have started but Goole will continue to have regular Hubs which the GPs are going to organise.</p>	
	<p>Annual Health Checks and joint Reviews - Rani</p> <p>Rani told us how important it is to have our annual health review and when it is done jointly, it means that our Care and Support Plans will be reviewed at the same time.</p>	

	There have been success stories in Bridlington when this was done.	
	<p>Cancer Screening Project – Rani</p> <p>This is running in Bridlington to raise awareness and improve access to cancer screening for people with a learning disability.</p> <p>The screening will be at a mobile venue locally – they won't need to travel all the way to Castle Hill Hospital in Cottingham.</p>	
  <p>Partnership</p>  <p>Activities</p>  <p>Safety</p>  <p>Connect</p>  <p>Gallery</p>  <p>Carers</p>	<p>Our Place – Digital Day Service, Claire and Adele</p> <p>Claire and Adele told us about the plans for Our Place. They want to add more features to make it more accessible.</p> <p>Web address – https://www.ascleader.co.uk/course/view.php?id=148 if you log in you can see –</p> <ul style="list-style-type: none"> • Partnership All about the Partnership Board and Speak up group • Activities Music, Cooking, Arts and Crafts, Multi-Room and Health and Wellbeing. There are recipes, videos and other links for each one. • Safety This has information in 'easy reads'. • Connect This is where we can meet with others at 'live events. If we want to join in, we need to speak to Claire or Adele. • Gallery This is where we can find different videos e.g. Millers visit to the Deep, Dolphins in Australia, Life of Mabel – Adele's youngest cat, and photo galleries • Carers For information, resources and comments etc... 	

	<p>Adele and Claire are planning to keep the 'old style Our Place' but on the new style use new colours, new look, different information, add an Independence Hub where we can see step by step videos, or instructions on different life skills e.g. making a drink, making a cup of tea...</p> <p>Claire and Adele are interested to know -</p> <ul style="list-style-type: none"> • What we think • Our ideas • List of life skills we would like to see or learn • If we would like to have drop-in sessions, where we could go and access our place with Claire and Adele helping us • Anything else we want to see on it e.g. what we should do in an emergency... 	<p>Everyone Tell Trish or Claire and Adele</p>
	<p>Howden Art 4 All - Rachel / Anna</p> <p>The Goddards are now planning this year's event. It will be for two days - 7&8 June. Individuals and groups can get involved - contact Anna and Rachel.</p> <p>The theme is Water.</p> <p>There will be artists, community choir, school fayre, sensory activities, graffiti workshops...</p> <p>Howden has a changing place, and venues are fully accessible with safe spaces to go to.</p>	<p>Everyone Tell Anna / Rachel if you want to be involved</p>
	<p>Preparing for Adulthood - Angel</p> <p>Angel told us that the event in February was busy, lots of stalls, lots of visitors from schools with their teachers.</p> <p>They learnt that having stalls in two rooms was very noisy, so will have quiet spaces at next year's meeting and will try and keep stalls in one room, and another room to sit and chat in...</p> <p>It is important to share news to young people aged 14 and above, to help prepare them to be an adult and understand what choices they will have.</p>	

	<p>Preparing for Adulthood - Hannah</p> <p>The event is on 5 February at the Mercure Hotel, Willerby.</p> <p>It will be like the 'Love your Life' event, with stall holders sharing information and the chance to chat about changes.</p> <p>It is for anyone aged 13 years or over, family, carers, professionals...</p> <p>Every Secondary school has been invited.</p>	<p>Trish</p> <p>Attach flyer to minutes</p>
?	<p>Anything anyone wants to say, ask or share? (AOB)</p>	
  	<p>Our Next Meeting...</p> <p>When? Tuesday 13 May, 11am-2:30pm</p> <p>Where? The Hexagon Music Centre, Coltman Avenue, Beverley HU17 9LP</p> <p>Questions? Email Trish Inhouseproject.provision@eastriding.gov.uk</p>	<p>Everyone</p> <p>-</p> <p>Different day</p> <p>-</p> <p>Different Venue</p>
