# Our group Rules – how we want to work together

- Speak one at a time
- Respect each other and our differences
- We will speak up if we are unsure or do not understand what is being said
- We will not use initials of a bigger name (acronyms) - say the full name or meaning of something

# Our group Rules – how we want to work together

- We will use everyday words to talk about people and the different things that we do
- Listen to each other
- Put ourselves on mute if we are not speaking
- Show your hand if we would like to speak

# What are we here for?

- To give people with a learning disability who live and work in East Riding a voice
- To share information and ideas that will help to improve the lives of people with a learning disability and family carers

# What do we want to do?

- Work together to make changes happen for people with a learning disability living and working in East Riding
- Look at what matters most to people with a learning disability
- Work together with the Autism Partnership Board to make the big plan work

# What do we want to do?

- To make sure people with a learning disability have a voice and lead change
- To listen and to act
- To tell the wider community about what the Learning Disability Partnership Board is working on
- To give people with a learning disability the power to make change happen
