

Guide to zoom in and out within Microsoft Edge

Link for Our Place – <https://tinyurl.com/ourplaceineastriding>

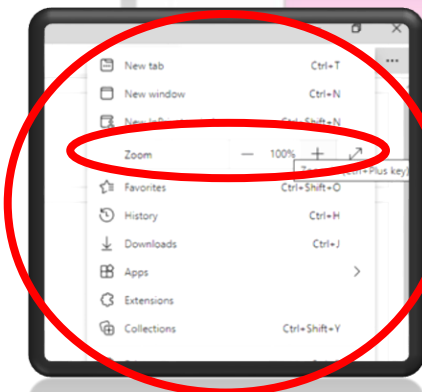

Step 1 –

Click on the search bar and copy the link above to find Our Place.

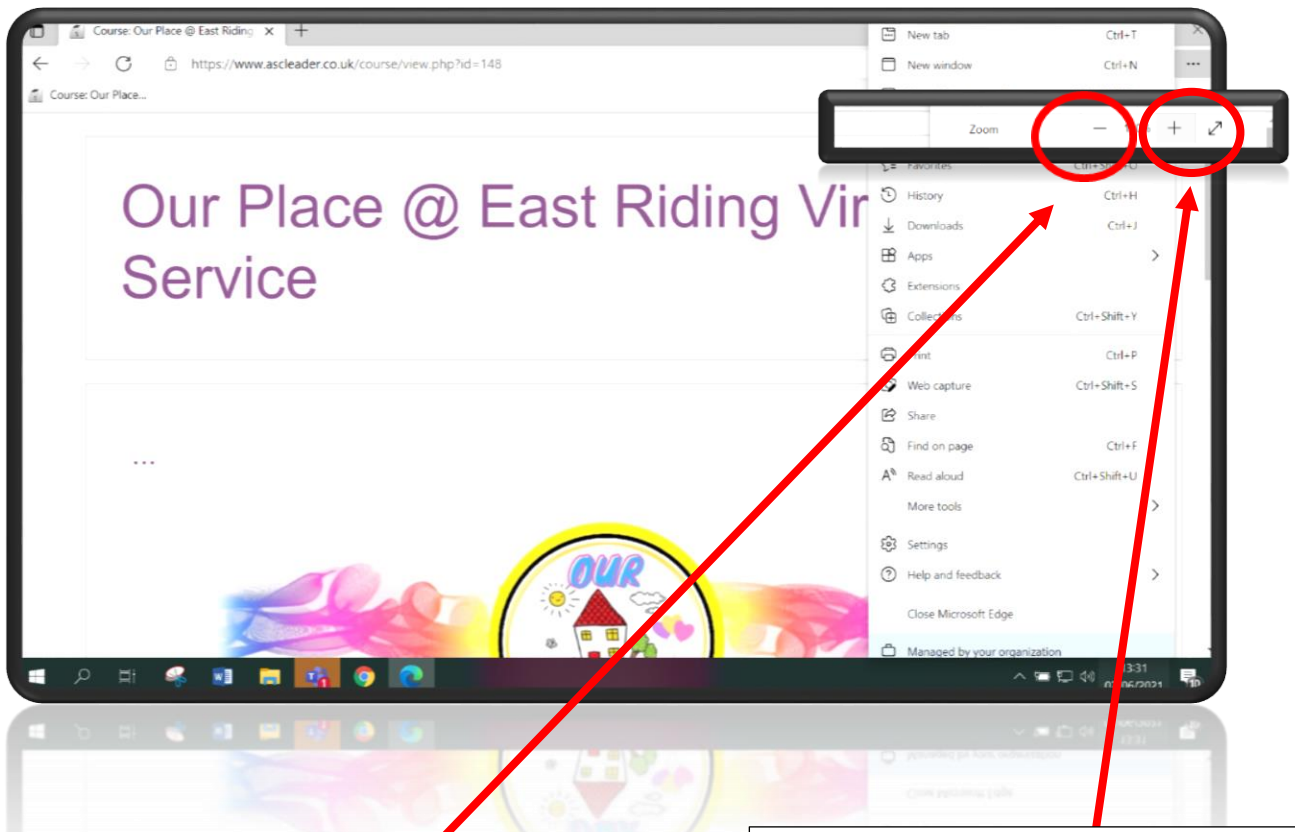

Step 2 –

Click on the 3 dots at the top right.

Step 3 –

A dropdown box will appear.
If you scroll down you will see the options to zoom in or out.

Step 4 –

To zoom out press the minus (-) button until you're happy with the screen.

Step 4 -

To zoom in press the plus (+) button until you're happy with the screen.
