

Would you like to get involved in the Learning Disability Partnership Board?

Inclusion North have worked with East Riding of Yorkshire Council to set up a new Learning Disability Partnership Board.

What is a Learning Disability Partnership Board?

A Partnership Board is a group of people from your local area.

They meet to decide what needs to happen to make the lives of people with a learning disability better.

Lots of different people can be part of the Partnership Board.

We would really like to hear from local people with a learning disability and family carers.
